Happy Anniversary, Sacred Heart of Jesus Parish

2010 marks the 85th anniversary of Sacred Heart of Jesus Parish. For 85 years God and His people have been present on the hill. Our worship of the Lord and service to others have been witnesses to our neighbors of the place that Faith, Hope and Charity have in our hearts.

While 85 years is not usually considered a special anniversary, we do not want it to pass unnoticed. During this year we would like to highlight those two hinges of Worship and Service on which our Faith, Hope and Charity hang.

Come Celebrate!

Please Join us!

On Saturday, February 27th, we will hold a parish Moment of Recollection - a Mini Retreat. Fr. Michael Lasky will offer us some reflections, inviting us to deepen our relationship with the Lord and express it in our relationships with others. All are invited and encouraged to attend. We know what a great speaker Fr. Mike is and his insights always touch our hearts. After his presentation Fr. Mike will lead us in a creative experience of prayer. Afterwards, we'll be able to move right upstairs and participate in the 5PM Liturgy. Please come and joins us!

***And keep your eyes on the
bulletin for further events to
mark God's goodness and our
response for these 85 years.***
